Ningbo Yinzhou A-Best Imp. & Exp. Co.,Ltd.
Shenzhen Yijiaxing Arts & Crafts Factory

COMPANY PROFILE

A - Best was established in 2006, is about fashion ornaments and plush toy. We focus on research and production of how to embed the popular life elements in the household and tourism products in order to let our customers gain a fun life style and experience the value of popular elements and high quality of life.

In the year of 2012, We invested our own plush toy factory to produce plush toys and decorative pillows. We can manufacture reversible sequin pillow series, hot-stamping pillow series, embroidery pillow series, memory foam pillow series, spandex super soft dolls, key chains, coin purse and other special process pillow series with lighting up, blue tooth and massage function etc.

In order to serve customers better, we have set offices in Ningbo, Yiwu and Shenzhen. We can ship goods from different ports to the customers all over the world. We are professional at making variety of pillows for kids, teens or anyone on your list. We will help you to expand your market share through our high quality, competitive price and prompt development as well as timely delivery.

Our Advantages:

1. 100% QC inspection before shipment. We also have the experience of exporting to Japan via 100% third party inspection.
2. We have our own invested 3 material shops in Shenzhen, Dongguang and YiWu, our material of the products are eco-friendly and harmless. We can directly control the material price and delivery as well as quality.
3. We sell our products directly from our invested plush toy factory, we always offer competitive price to our customers.
4. We have more than 10 years of international trading experience of textile, clothing and fabric accessories and plush pillows all over the world.

Also we have a capable sourcing team for diversified items as requests of customers who are from USA and Japan etc. We deliver products to retailers directly or through main importers.

Whatever you need, A-Best is your good choice.
